

## Martial

- 1) Icta -> Telum, Confossaue -> Wound.
- 2) Present Perfect, Expertae Sunt
- 3) Experta erat
- 4) Experiebatur
- 5) Stricken with a deadly weapon, and stabbed with a mortal wound, the pregnant sow at the same time lost life and saved it. How unerring was the hand when the spear was thrown!  
  
This I believe to have been Lucina's hand. Dying, she experienced the power of either Diana, 5, by whom the mother was delivered, and hers by whom the savage beast was killed.

## Sent 5

- 1) Moriemur
- 2) Fero, Hauriat, moriamur
- 3) Future plural, Moriar
- 4) mortui
- 5) "I will die unavenged, but let me die." she said. "Thus, thus it helps me to go under the shades." Let the cruel trojan drink this fire with his eyes from the deep and let him bear the omens of my death with himself.
